2 TARIFF STREET

Search for the history of 2 Tariff Street and not a lot appears. That's because we invented it. Our entrance was the tradesman's entrance of 45 Dale Street.

Dig a little deeper though and the site begins to talk. Having always been associated with either textiles or metalworking, around 1858 the building was torn down, re-emerging as the showroom and warehouse of cotton spinners Ralph Waller & Co Ltd. The hydraulic fabric press in the kitchen was probably installed during the original build when the basement was filled with looms and weaving machines. The building remains standing now thanks to the huge girders in the basement, installed after a direct firebomb on the building during the Manchester Blitz of WWII.

The history of 2 Tariff Street is tied to the city's; part of its DNA, the fabric of the city - literally. Reinvented as Tariff & Dale, we continue its evolution, writing the next chapter of the building's annals.

**"ALWAYS DO SOBER WHAT YOU SAID YOU'D DO DRUNK.
THAT WILL TEACH YOU TO KEEP YOUR MOUTH SHUT"**

OUR DRINKS

OUR PHILOSOPHY

INNOVATION

Six of our favourite classics, each offered alongside two different
Tariff & Dale twists. One light, the other dark.

PRODUCE

Created using only the freshest and finest ingredients, paired with
the best spirits and liqueurs available, including some special
elixirs we made ourselves.

HERITAGE

From where it all started to where we are now.

OUR TEAM

Our bar team is continually creating and developing new drinks
with a whole range of homemade ingredients. We make our own tinctures,
bitters, shrubs and syrups, with ever changing flavours throughout
the year.

And we love to talk about them.

If you fancy something bespoke just speak to your bartender about
the style & flavour you're looking for and let them do the rest.

If you fancy a classic cocktail you can't see on our list please
just ask and we will be happy to make it for you.
